Walk Through Proves Useful for Students

The Walk Through, torture for all, a necessity for the start of the school year. Initially started in 1987, the Walk Through became an important event for all students. Held over a space of three days in late August, the Walk Through involved both parents and students.

The positive aspects of the Walk Through were instant ID/Student Body Card, information on various programs offered at Liberty, being able to purchase a yearbook and colored pictures, and learning about different booster programs. Parents complimented the school officials on the information that was provided and they felt that it was an important experience. Yearbook sales reached an all time high in '88.

There were negative aspects with camera problems, long lines, and the August heat. The camera problems were licked for '88 but the long lines and August heat continued. In an attempt to beat the heat, the quad area was opened up for parents and students. The new “instant” ID for all students was hailed by all. Later an instant ID camera was provided for the Student Store for new students and to replace lost cards.

Though there was some pain and problems in the Walk Through, plans were to continue it into the next decade.

(Picture Caption #1) Martha Quesada hobbles around on crutches after being injured trying to get the boxes of materials organized in Lion's Hall for the Walk Through. Martha is the secretary for Mrs. Cathy Dickey and had to get info ready for the students.

(Picture Caption #2) Nathan Gursky, Scott Drenik, and Chris Calabrese wait along side Mrs. Stranahan at the Walk Through in August.

(Picture Caption #3) Shannon Elmore and Jennalee Passey relax on the lawn area near the cafeteria during Homecoming Week.

(Picture Caption #4) Mr. Dennis Buckley and Mrs. Wanda Keeney assist students and parents with bill payments at the Walk Through.
Parents, Students, and Workers all help to make the Walk Through the success it was in August and September to start the school year. Students had to be accompanied by their parent or guardian and go through a series of stations to receive information, pay bills, have their picture taken, or buy a yearbook as well as obtain their schedule.
Students and staff members get into the Homecoming spirit by participating in activities during the week. From Nerd, Scum, Hippy Day to Homecoming Day itself, people showed ingenuity in coming up with different costumes to match the theme days during the week. Danielle Kuhr dresses up as a hippy, Ryan Ng portrays the typical nerd as do Danielle Pueblo, Julie Pastor, and Jennifer Reiswig. During one of the rallies before the big Homecoming one, staff members from Liberty and Liberty Vocational Schools put on a skit that featured calypso music and a limbo bar; their skit delighted the packed gym for the Top Ten Rally.

This year Homecoming Week was only four days because of a SIP day on Tuesday. The Sophomore Class captured the float competition on Homecoming Night.
First-year teacher, Hillary Fairbairn shows her spirit as she poses with Jenni Calandri during Hippy Day. Later in the week, Hillary eagerly awaited the start of the trike race; she was to start off for the staff.
Parsons, Swisher Reign as Queen, King

Excitement mounted in Stonebarger Gymnasium on October 21, as the announcement of the 1988 Homecoming King and Queen approached. Last year's king and queen, Carlos Ortega and Rose Melgoza, let the tension build as they paced behind the Top Five before handing the flowers to Queen, Tiffany Parsons, and King, Brian Swisher.

That evening the Homecoming Parade was led by Grand Marshalls Jim Alves and Barbara Whitfield. The Sophomore Class captured the first place in float competition followed by the juniors, seniors, and freshmen. The Varsity team earned a victory over the Mt. Diablo Red Devils.

**Expressions '88-89 Fill Opening Section**

Worried about a Homecoming flower, Jody Huffaker glances down as if it were alive. Showing spirit many boys and girls painted faces for this yearly event.

Deep in thought, Aaron Burke sits outside the Music Building during lunch.

Jubilation, first-year teacher, Hillary Fairbairn, express her joy of students and teaching in the classroom.

Caught crossing campus, the smiling Bobby Duncan heads for class.

Concentration, Tracy Benett works hard in her Algebra II with Mrs. Joanne Nash.

Comfortable in a new school, JR Campbell smiles pleasantly as he walks the halls of Liberty.

Skaters Beware! Gabe Harmell sends a clear message on how he feels about those guys on those roller boards during Dress-up Day.

Reflective Jolene McClellan stares at the camera and never reacts to it in her Accounting Class taught by Miss Reta Pirtle.

Expressive Liberty students were a delight to capture on film as our annual staff and professional photographers prowled the campus in search of the unusual, the bizarre, and the unexpected.

END OF A DECADE!
When the 1980's started for the Senior Class, most of them were just beginning the third grade. This year the yearbook staff chose this theme as the '80s closed out and the '90s would start with many of the graduates involved in a career or the pursuit of one.

Transfer student, JR Campbell, came from Colorado too late to get a regular senior picture.
SENIOR CLASS

Making the best of their final year, the seniors went all out with Homecoming activities capturing third place in the float competition with the theme of “Down the Devils”, they also got first place in the tricycle race, pyramid building, and the yell competition.

The Top Ten were Wendy Kelsey, Tiffany Parsons, Shannon Pueblo, Tara Clark, Cheryl Price, Debbie Darone, Sheri Stoffer, Kjersti Sudweeks, Paula Krey, Kendra Blair, Johanna Peterson, Tom Phelan, Phil Rodriguez, Jason Rodgers, Rocky Pompa, Brian Smith, Chris Davis, Danny Newberry, Brian Swisher, and Nathan Gursky. Tiffany and Brian were selected as King and Queen.

The class officers were Tara Clark, president; Wendy Kelsey, vice-president; Susan Snell, secretary; and Chris Calabrese, treasurer. Advisor chores were shared by Mrs. Lorraine Anderson and Ms Hillary Fairbairn.

The seniors helped raise money for their class with car washes, a number of candy sales, pizza night at Joes, Hawaiian shaved ice, a T-shirt sale, sponsoring the Homecoming Top-Ten Dance, and the Christmas candy sale.

The Class of ’89 held their Senior Ball at the Hyatt Hotel, Union Square, in San Francisco (the first class to do so in five years), from 7 to 12:30; the evening included dinner.

With the theme of “Friends Are Friends Forever”, the class held their Baccalaureate Services on June 11 followed by Graduation on June 15. As one senior yearbook staff member stated, “We finally made it, thank God!”

Junior year — the Class of ’89 was led by Johanna Peterson, president; Wendy Kelsey, vice-president; Tara Clark, secretary; and Chris Calabrese, treasurer. With the departure of both their previous year’s advisors, the juniors were in need and Mrs. Anderson, new to Liberty in the English Department, filled the vacant spot with style and determination. With three candy sales, a Christmas candy-gram sale, and a very successful Prom, the class treasury rose from only $80 to over $1550 in a single year. Placing for the first time in the float competition, the juniors grabbed third place with “Round up the Dons” as their theme. The juniors were also excited and eagerly awaiting for June 10 since at about 7:30 they finally became the Seniors!

Sophomore year — combining with the Class of ’88, the Class of ’89 co-hosted the Sophomore/Junior Prom. For the first time ever, the Prom was held off campus as the two classes turned Veteran’s Hall into a palace for the evening.

With the theme of “Give Me Liberty or Give Me Death”, the Class of 1989 worked hard Homecoming Week to build their second high school float. The sophomores were led by Ryan Ng, president; Kim Trebino, vice-president; Robin Schwitter; and Chris Calabrese, treasurer. The class was ably advised by Ms. Jan McAlister and Mr. Robert Reed.

With the theme of “Friends and Lovers”, the sophomores combined with the juniors to move the Prom off campus. The sophomores selected Dana Clemons, Debbie Darone, Tiffany Parsons, Sheri Stoffer, and Wendy Kelsey as queen candidates and Kevin Bluebaugh, Brian Swisher, Danny Newberry, Chris Davis, and Steve Cacho as king candidates. During the evening they crowned Wendy and Brian as King and Queen. The sophomores sold flowers and candy in an effort to raise money to fatten their treasury for their senior year.

Freshmen year — building a float entitled “Hail Liberty”, brought the class at Liberty together, the Class of 1989, the freshmen. They were led by first year officers Kim Trebino, president and vice-president; Ellen Ortez, secretary; and Tara Clark, treasurer. Assisting the freshmen to get off to the right start were advisors. Ms. McAlister and Mr. Dennis Henderson. To help raise money for their senior year activities, the freshmen sold raffle tickets and hosted a car wash in the spring.

With the Class of ’89 bidding farewell to LUHS, the decade of the ’80s came to a quiet close and the Class of 1990 emerged as the next Senior Class as the school entered the decade of the 90s. So long ’89, we will miss you as much as you will miss Liberty Union High School.

SENIOR CLASS OFFICERS
AND ADVISOR — Mrs. Lorraine Anderson, advisor; Tara Clark, president; Susan Snell, secretary; and Chris Calabrese, treasurer.
Entering their third year at Liberty, the Junior class were led by Tom Gregory, president; Mike Davies, vice-president; Nicole Souza, treasurer; and Karen Lindsay, secretary. Our eager, able advisors were Ms. Marian Canepa and Mrs. Kaye Axelgard-Reeves.

The Class of '90 shined with spirit and earned the coveted Spirit Jug for quite a while this year.

Homecoming was a blast for the class as they worked hard to construct a float that captured second place in the competition. The class also sponsored a Top Ten rally skit that had the entire gym rocking with laughter.

Consisting of over 300 students, the juniors were organized enough to have a car wash, two candy sales, and a Valentine's Day flower sale. The $1,000 raised helped defray expenses for the two super dances the class sponsored later. On March 4, the Class of '90 hosted the Turnabout Dance while the juniors combined with the sophomores to co-sponsor the Sophomore/Junior Prom. With the theme “Ballroom Elegance,” the classes turned the cafeteria area into a wonderland of balloons and decorations. Tickets for the dance were $30 per couple and entitled the bearer to a key chain with the theme on it. Students could purchase beautiful champagne glasses that also had the theme on them; the Prom was held on April 22.

With June 16 gone the Junior Class leaped into the new decade as the first Senior Class of the 90’s. The Class of 1990 was prepared to meet the challenge of the 90’s and looking forward to the 21st Century and all that it would hold for them.

Kami Mendes led the class of '91 this year as president. She was assisted by Don Blair, vice-president; Tina Pedersen, secretary; Julie Stranahan was treasurer for the second year. Mr. Mark Gates was the sole advisor of this responsible bunch.

The Sophomores held two fall candy sales and a bake sale to start off funds for the year's activities. In the spring they had two more candy sales and a carwash.

A lot of the fall funds went towards building the Homecoming float. The class of '91 surprised the other classes when they captured first place in the float competition. The theme for the float was "Freeze the Devils". The float had a giant igloo and a penguin at the front. A huge, lion, football player was stuffing a devil into the igloo!

Being the rowdy bunch that they were the sophomores chose a theme for the rallies. It was "The New Generation". They decorated their side of the gym with posters at each rally and yelled their hearts out in trying to win the spirit competition.

With the theme of "Ballroom Elegance", the sophomores, combined with the juniors, spent the day decorating the cafeteria for the Soph Hop-Junior Prom. The cafeteria was done in black and white, with balloons, lattice work, and curtains. A gazebo was made in the center of the floor, the middle contained a chandelier made with a hoola hoop and crepe paper.

The sophomores selected Sally Bickford, Tatum Valverde, Amber Reppard, Erin Spears, and Jennifer Pueblo as Queen candidates.

The King candidates were Robert Dutra, Patrick Luna, Chris Klapprott, Matt Klutz, and Jody Huffacker.

Patrick Luna and Sally Bickford were crowned King and Queen.

Overall the sophomores became more of a class. There is no longer the group of students from Edna Hill, Byron, Knightsen, and Oakley, when walking around campus. One could easily see the mix of young adults who had truly become "The Class of 1991".

With 405 students, the Class of 1992 roared onto the Liberty campus from the feeder schools of Edna Hill (Bobcats), Oakley (Tigers), Knightsen (Knights) and the Byron (Tigers), to become LUHS Lions for the first time. 1988-89 was a year of getting used to a new school and making lots of new friends. It was a time forgetting that they were no longer Bobcats, Tigers, or Knights, they were mighty LIONS!

For their first year at Liberty the class was ably led by Dana Bowls, president; Rochelle Hoffner, vice-president; Joann Farman, secretary; and Nancy Lopez, treasurer.

Undaunted by the lack of a single teacher advisor, the Class of '92 took things in stride like the Lions they had become and participated in rallies, Homecoming Week, Spring Fever Week, and Winterfest.

The lack of an advisor did hamper their efforts both at Homecoming and raising money for future activities. The class worked hard on their first float ever and built a huge lion head on a trailer. With the advice and ample assistance from the other three classes, the freshmen got their float together and did themselves proud in the Homecoming Parade in October. Hampered by not having an advisor, the freshmen were unable to sponsor any fund raisers on campus or otherwise and faced their second year with a flat treasury. They became the first class in over 20 years to go through an entire year with no advisor.

The Class of '92 closed out the decade of the 80s with high hopes for a brighter decade in the 90s.

A New Look! This year the annual staff decided to use mini dividers between the different classes so that each class would have equal coverage as to write ups and information. The seniors are put in color for the first time in a number of years and all classes were expanded to 10 pages. The staff used new graphic techniques to try spice up the book and improve it for you.
From the Barn Dance in the opening months of school to Graduation in June, activities played an important part during the busy year. Highlighting the annual Barn Dance was the announcement of Shannan Jarvis as the FFA Sweetheart.

Following closely behind the popular Barn Dance was the busiest activity of the year, Homecoming. With the announcement of the Top Ten, excitement began to build two weeks before Homecoming Day. Homecoming Week is the culmination of anticipation as students and staff went a little crazy to participate in Dress-up days and engage in lunch-time activities. Finally the day was here and everyone eagerly waited for the end of the regular school day and the beginning of activities and the rally. Tiffany Parsons and Brian Swisher were announced as Queen and King for 1988 to the delight of a packed gym. Later that evening the Sophomore Class surprised everyone and walked off with first place in the float competition.

Dances played an important part in student life with the Halloween Dance, the Top Ten Dance, the Soph/Junior Prom and of course “the” dance of the year, the Senior Ball, held in San Francisco for only the second time.

During the winter and early spring, students kept busy with the CSF Carnival, two major plays, and numerous concerts provided by both the band and choir. Capping four year careers in music were Ruth Panopio (Jenny Lind Winner) in vocal endeavors and Lucy Duncan (John Philip Sousa Winner) in band.

Four hard years of academic work was evidenced at the Awards Ceremonies on June 1 in the Delta Community Center (see pages 199 and 205 for a complete list of all the winners). New this year was an academic assembly to honor seniors and others for achievement during the school year. Acknowledged were students in homemaking, ag, speech, leadership, counseling, and other academic areas. Hosting the affair were Kendra Blair and Cheryl Price.

Closing out the year was Graduation on June 16 on Ohmstede Field. Led by Nathan Gursky, valedictorian; and Jose Henriquez, salutatorian; the Class of '89 (the last class of the 80s) bid farewell to LUHS as the decade began to come to a close.
Students Display Leadership Roles

HOMECOMING 1988!! From lunch-time activities that included looking for their shoes, shaving balloons, and toilet paper wrapping, to dress-up days of “Cowboy and Indian or Hero”, “Nerd, Scum, or Hippy”, to the Top Ten from Mt. Diablo, to the Field Activities such as pie-eating, tug-of-war, and the trike race, students and staff members got into the festivities surrounding this annual event.

Homecoming really starts over two weeks before the actual game, when voting takes place for the Top Ten. The candidates are announced at a special rally two weeks before Homecoming Day; the Grand Marshall(s) are also revealed (Mrs. Barbara Whitfield and Mr. James Alves). Another highlight of the Top Ten Rally is the announcement of the “top ten” from the opponent’s school and the selection of their “queen”. The week of Homecoming is always filled with lunch time activities, dress up days, and the all-important Homecoming Rally.

'Ballroom Elegance' Sets Prom Theme

Checking into the dance some couples had to pay for their tickets at the door.

Beautiful smiles, beautiful clothes, and handsome couples grace the cafeteria area on April 22 as the Sophomore and Junior Classes combine talents to turn an eatery into a virtual ballroom for the evening. With the assistance of parents and advisors, the classes spent a good part of the day decorating the area with black and white materials. The classes chose the theme of “Ballroom Elegance” for the semi-formal dance and enjoyed the evening immensely during the warm spring month.
Commissioners of leadership are: Back row: Cheryl Price (Rallies and Assemblies), Shannon Pueblo (Performing Arts), Ryan Ng, Jeff Carpenter (Clubs and Activities), Nathan Gursky (Historian), Kendra Blair (Rallies and Assemblies), Michelle Vestal (Curriculum) Front row: Cindy Jones (Representative to the Board), Brent Jordan, Ron Worley, Mark Misquez (Athletics), Katrina Koehler, Mark Gursky, Scott Drenik (Publicity)

Staff Adds Extra Graduation Spread in '89
New! New! New! From new coaches to a brand new league the Lion sports scene was in a definite state of flux during the 88-89 seasons. School had almost started before the status of the league was known as the Mt. Diablo schools had decided to go their own way only to make a last minute decision to join a league. The new league designed was called the Diablo Foothill Athletic League and consisted of two divisions: Diablo and Foothill. The Liberty Lions became a member of the Diablo Division along with the Benicia Panthers, Northgate Broncos, Concord Minutemen, College Park Falcons, and Mt. Diablo Red Devils. The Foothill Division was comprised of the Acalanes Dons, Campolindo Cougars, Miramonte Matadors, Alhambra Bulldogs, DeAnza Dons, and the Las Lomas Knights.

Lion teams grabbed four division championships with Varsity Soccer starting things off right in the fall. Both wrestling teams captured crowns in the winter and the Girls’ Varsity Softball team grabbed both the division and league championships.

New faces dominated the coaching positions as did a new man in the Athletic Director’s chair. Mr. Vic Thornhill became the new AD replacing Roy Ghiggeri. New coaches were Richard Cabral, frosh football; Marv Fregi, jv soccer; Jo Tennant, jv volleyball; Alex Aiello, varsity basketball; Rod Beaver, varsity baseball; Paul Urenda, jv baseball; Mark Gates, swimming; and Marihelen Palmer, tennis.

As sports moved from the 80s into the 90s the new direction of them would be determined by both the new league and the new faces that had started during the end of a decade.
From last to first place in a single season, sound like a dream? Not for the Varsity Soccer Team this year as they stormed the Diablo Division of the Diablo Foothill Athletic League for an 8-1-1 record and first place. Led by the scoring of Rosalio Colmenares (16 goals) and Shaun Sappington (15 goals), the Lions were coached by Tim McHugh. The Varsity outscored their league opponents 40-9 on their way to the division crown and the playoffs.

One victory away from a championship was the fate of the Varsity Football Team as the lions captured second place behind division champs Concord. Led by Captains Matt Toon and Brandon Mallett (most valuable player), the Varsity was 7-3 overall and 4-1 in league play to have their strongest finish in years. All league nods went to Mallett, Rich Capitano, Mike Amador, John Rodriguez, John Rodgers, Tom Phelan, Aaron Ganz, Kent Largent, Mario Quilici, and Matt Toon. The head coach is Jerry Lilley.

Composed of mostly juniors and sophomores (two seniors), the Varsity Volleyball team was a young squad in experience. Overall the team captured a 14-10 record and finished third in league with a 10-9 record. According to head coach Linda Gudarska, the new league made for more competition and variety. Captains for the team were Ineska Nevarez and Michelle Vestal. Most improved was Julie Stranahan while Vestal was the Most Valuable.

New coaches were on the scene for the Fresh Football, JV Volleyball, and JV Soccer Teams as they built for the future of Liberty sports in the new Diablo Foothill Athletic League and the Diablo Division.

Amy DelChairo glides into second base as her opponent looks to the catcher for the ball.

Coach Perez studies his defensive team in a home contest.

Nice play! Cindy Perez makes a nice pick up at short and comes up throwing.

Tanya Nevarez throws to second during warm-ups.

Safe at second. Tami Nevarez looks for instructions.

Safe! Evett Gaston kicks up a tremendous cloud of dust as she slides into second base with a stolen base. She does not even draw a throw.
New Coach Guides Building JV Team

Out, Stephanie Taylor makes a put-out at first base under the watchful eye of the ump. Team work Monica Nickle backs up Tonya Nevarez at second base. Diane Ghiselli follows through nicely on the mound.

Driving the runner back at first, Anna Guen plays a good defensive catcher keeping the base runners honest.

Varsity tracksters set three members to the coveted North Coast Meet this season. Representing the Lions were Eric Jensen, pole vault; Greg Grebinski in both the 880 and Mile; and Colin Bennett, discus. Pictured here are Phil Rodriguez, Larry Puente, Eric Gensler, and Frank Yoda.
Dave Sadler leaves the blocks in the 100 meters against Benecia; Heath Duggan puts the shot; Brian Vaughn clears a high hurdle at home; and Omar Sarmiento runs tough in an away meet. The Varsity is coached by Keith Dawson, Mark Johnson, and Jim Sanford.
JVs Enjoy Successful Track Season

Led by Omar Sarmiento, Rich Neese, and Andrew Mirizzi, the junior varsity tracksters enjoyed a successful dual-meet season in a new league. The future varsity members worked hard to move up.
Eric Geisler vaults successfully in an away meet. Eric was injured early in the season.
Parsons, Miles Advance to Meet of Champs

Tiffany Parson and Danielle Miles both shook off adversity at the North Coast Section Meet to earn trips to the coveted Meet of Champions held May 27 in Berkeley. Tiffany placed fourth in triple jump and sixth in the long jump despite painful shin splints while Danielle hit a PB in the shot put with a throw of 32'11.
Clark, Renslow Sparkle for Swimming Team

New Coach Guides Team in New League

Keeping her eye on the ball and showing deep concentration is Cindy Jones as she warms up at home. Casey Manning slams the ball in a huge overhand shot as he prepares for a match. Running to hit her back-hand, Renee Hoffner tries to dink the ball back over the net. Jenny Reiswig tries a deep lob shot in practice at the Discovery Bay Country Club.
Checking the flight of his backhand shot, Eddie Garcia prepares to rush the net.

Dianna Valenzuela hits a lazy forehand shot as she volleys during practice.

Dead ball Casey Manning looks at the oncoming ball with determination in every pore.

Ronnie Diaz slams the ball back with determination in his heart.

Partners Renee Hoffner and Jenny Reiswig work together during practice.

Nice follow through! Chris Lewis poses at the end of his swing and watches the flight of the ball.

Adam Krey and Tony Hartsock chat with a Las Lomas golfer as they wait their turn on the tee.

Brian Soczka takes time to practice his putting before teeing off at the tough Franklin Canyon Course.
Tony Hartsock and Charlie Thomas wait to tee with a Las Lomas golfer partner at an away match.

Pausing in his back swing, Tony Hartsock shows nice form as he uses his #1 wood to drive.

Charlie Thomas drives off his right foot and keeps his head down nicely on this tee shot.

Coaches Sal and Alex Aiello discuss the relative merits of a ball as they wait in their cart to tee off.

Adam Krey drives from the blue tees at an away match against the Las Lomas Knights.

Moving out of the 80s and into the 90s, the Liberty campus and staff were definitely on the move. From building changes, to new buildings, to new construction; from new staff to staff with new jobs; the school was bidding the decade of the 80s a fond farewell and a hardy hello to the 90s and looking toward the 21st Century.

New certificated staff members were as follows: Helen Dixon — Advanced English 2, English 2, Theatre Arts, Forensics Club Advisor, and Director for the spring production of “Midsummer’s Night Dream”; Hillary Fairbairn — English 1, English IV, Reading 1 and Co-advisor for the Class of ’89; Patti Kimbrell — Earth Science, Physical Science, Chemistry, Math Skills 1-2; and Jo Lagerquist — Librarian. Changing or adding jobs were Bev Von Krakou who became the new registrar; Collen Firkins, the SIP Secretary, and Mr. Mark Gates, the Swimming Coach.

It was the physical layout of the campus that was to go through the greatest change during the school year. During the summer, two new portable buildings came into existence with the addition of P-16 and P-17 (a new classroom and a new drafting area; both near Nash Hall). Three buildings that were unable to meet the Field Act requirements (earthquake standards) were moved out of their present position to be relocated on the triangle for storage. These were the old Math classroom, Toad Hall, and the old p-10 (ex computer lab, ex office complex, ex staff room). In the mean time both C and D wings were undergoing massive face uplifts both externally and especially internally. Both wings became office complexes with the attendance, principal and vice-principal staffs moving into C and the counseling and careers (summer ’89) into D. Stonebarger Gym received new paint in the old part of the building and both the floor and bleachers were redone. Early in the spring ground breaking ceremonies were held for the new Liberty Transitional buildings as well as the Science Wing. The biggest controversy surrounding the reconstruc- tion on campus were the new paint colors as the buildings showed coral and teal (or pink and blue as the students described it).

Other buildings received the new paint as well as rennovation of roofs and doors as the campus was brought up to code for the use of all students. Part of the Ag Farm was lost to new construction as the maintenance department started to relocate to new buildings on the SE corner of the campus. In anticipation of the move, the custodial staff spent one Saturday changing stores from the metal building to the portable trailers scattered all over campus.

Yes, Liberty staff and campus was surely on the move at the end of the decade!

Going to McDonald's* is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

IT'S A GOOD TIME FOR THE GREAT TASTE.

Ending the decade with fun!

The 1988-89 school year brings an end to many of the set standards at Liberty. The senior class is on their way out (or most of them), while the juniors prepare to lead our school into the next decade. The seniors have not had it easy here during our four year sentence. The thing I most remember is how everything kept moving around. One day you would know where the office was while the next day the office would be clear across on the other side of campus. This senior class has seen a lot of changes take place on this campus, from a new principal taking over to new buildings being constructed. We (the senior class) are the end of a decade. In short this is our book.

The Lion 89 staff has tried to make the best of the 1988-89 school year stand out in the few pages available. There was a total of sixteen pages added to the book this year. We also added class division pages and sports division pages to the book. The staff also was able to incorporate a lot of new ideas into the book this year that were not accomplished last year. One of these new ideas was for the staff to design our own cover for the book, which we as you could see was successfully accomplished. I wish to extend my deepest gratitude and best wishes to our adviser, Mr. Bill Batze. Thanks for everything and best of luck as you help lead the juniors into the beginning of the new decade.

Roland Cozby, Co-Editor

Making the job fun: Octavia Poole showed up in her curlers one busy Saturday! Roland Cozby enjoys the work, from cameras to computers to editing. In class or out, Jennalee Passey and Ann Nebergall make the job seem like play. John Gaudette slaved at the computer for his second fantabulous year!
Working too hard? Laurie Peters, photo editor, and Adriane Rhodes get on the other end of the camera during ad sales pictures. Top Gun: Mr Batze is best instructor for the crew. Monique Cozby, pictured here at the walk-thru, made the millions for yearbook! Assistant Editor Carolyn Childs makes a new spread as Rosie Scarzoni works in the background.
